Our Mission:

DEVELOP COMPLETELY COMMITTED FOLLOWERS

Group Life 2019: Small Group sign-ups for 2019 are posted! See the bulletin board next to the administrative assistant's office. You'll have the entire month of January to select your group, ask questions, and prepare for a new year of small group life. Our results from 2018 were terrific, and we believe that this is an important way forward to developing completely committed followers of Jesus by Discipling (WRP+4!) through small groups. If you've never joined or participated in a group, why not try it this year? You'll go deeper with Scripture, deeper with Christian relationships, and deeper with Christ.

Introducing your new Administrative Assistant: Hello! My name is Jennifer Latham, and I am thrilled to be a part of your church family! I have been married to Larry Latham for 20 years; we have one son, Jacob, who is currently a sophomore at Purdue. We live in Centerpoint, and are members of North Meridian St. Church of Christ in Brazil. I look forward to serving the church, and will do my best to assist in any way I can.

Jesus Loves the Little Children!

From Matt... The Church is the active body of Christ commissioned for a specific purpose. This purpose is what we frequently refer to as “Mission.” The Church has a mission. It has somewhere to go, some place to be, and something to do. If and when we lose sight of this, we come dangerously close to becoming something else other than a Church. So, this is what we’re talking about this month. We’re talking about why we, as a Church, are here. And, we’re talking about why you, as an individual, are here.

It's in our spiritual DNA, WRP+4, to be an inviting church that invites people into a saving relationship with Jesus and to disciple those same people in the thoughts and lifestyle of Christ. Is this the vision you’ve embraced for being part of God’s mission in the world? This new year offers a fresh opportunity to evaluate how you fit into God’s mission here at Eastside. There is so much to do. Get involved as we embrace the call to be “Sent: A Church on the Move.”

Loose change in today’s collection will go to the Shults-Lewis Children’s Home.

SCRIPTURE READER: Larry Alsman
Luke 19: 1-10

Giant stalagmites rise from the floors of many of the great caves across America. This amazing phenomenon is produced by the constant dripping of single drops of water. Each drop falls, evaporates, and leaves behind a tiny deposit of sediment. A little at a time, this sediment builds up until an impressive mound is left behind.

SHINE TIME: Andrew and Laura Woodason
#954 Jesus Loves Me

Our lives might be compared to these stalagmites. Each rejection of the gospel leaves behind a tiny drop of indifference. With each rejection, response becomes more difficult. This “hardening of the heart” is that about which the writer of Hebrews warns, saying, “Today, if you hear his voice, do not harden your hearts as in the rebellion” (Hebrews 3:15, ESV).

There is an attended nursery for ages 6 months to 36 months during worship.

Though often applied to others, this lesson is urgently needed in the life of every Christian. There are changes needed in each of us to bring our lives into greater conformity with the teachings of our Lord. Opportunities for change come our way on a daily basis (2 Cor. 6:2). But, turning the page of the calendar into a new year often creates a moment of reflection and self-examination. Why not use this as your impetus for making needed changes in your life? Whether we make them at the beginning of the year or not, resolutions are necessary for all who are striving after the image of Christ.
