Please submit announcements by Thursday a.m.

Make your giving easier! Give online or through our texting app. Last year, Eastside implemented online giving to make it easier and more convenient for you to give. You can sign up and download the free app at easytith.com. It's quick and simple. Or, go to our website at eastsidechurchofchrist.us, click the "Giving" tab, and follow the instructions. Then, you'll have the option of scheduling your giving at the frequency you desire or just giving a one-time "Quick Give." With these options, you don't have to worry about forgetting, scrambling for a check book during worship, or overlooking it while you're out of town on vacation. So, use it Eastside! It's a great option for contributing financially to the work we do as a church!

Friends, Family and Neighbor Day

Next Sunday, June 23, is **Friends, Family and Neighbor Day**. There is a sign-up sheet on the bulletin board for sides, desserts, or drinks. And don't forget to invite your friends, family, or neighbors!

Our Mission:

DEVELOP COMPLETELY COMMITTED FOLLOWERS

Recognizing needs within our church, the Elders are asking the congregation to help them select and appoint new deacons to special roles of ministry. The categories of need are:

Interior Maintenance: someone to maintain the interior of the church building, which will include lighting, plumbing, heating and cooling, and general malfunctions of equipment. This person will not be expected to take care of every issue alone, but rather organize and ensure that such issues are satisfactorily resolved.

Worship: someone to organize and improve, with input from the leadership team, our worship services. The emphasis will be on Sunday morning worship but can also include Wednesday nights and other special occasions when Eastside will gather for worship and spiritual edification.

We are asking for suggestions from the church for men who can fill these roles with commitment and excellence. **Please make your recommendations to one of our Elders.**

IGNITE

IGNITE will **not** meet tonight due to it being Father's Day. They will meet on June 23 and 30.

There is a meal sign-up sheet in the hallway for IGNITE. We greatly appreciate everyone who provides the meals!

At Eastside, we've slowly adopted a team-based ministry format that aims to engage all members at various levels of ministry. This is a major step in the kind of "every member ministry" that is demonstrated by the early church on the pages of Scripture, and it's a major step in developing completely committed followers of Jesus in every member. Below, you'll find the current teams, ministry leaders, and contact information in case you need the ministry or you're interested in participating.

“We Americans are programmed to be consumers...Even when hard-pressed financially, we are pressured by our culture to consume. “This is our identity” (Brennan Manning, *The Signature of Jesus*, 70). Do you feel “pressured to consume”? If so, where does the pressure come from? Your colleagues at work? Your social groups? The parents on your kids’ soccer team? Your media? Yourself? What drives us with a feverish anxiety to keep wanting, getting, collecting more?

There are various reasons why we feel we need to acquire more and more, and one of these is the fear of not having enough. This fear can take two forms: a legitimate fear that’s genuinely worried that next month’s bills won’t get paid and an illegitimate fear where all of one’s needs are met and yet a drive to accumulate, expand, and consume continuously gnaws at your heart. In modern American society, you’re likely to find both of these fears in equal supply. There are scores of people who live in poverty and who realistically harbor doubt about how to feed their families while waiting for the next paycheck. However, there seem to be just as many who have everything they need and more, and yet have an impulse to keep acquiring. The Bible speaks to both of these anxieties, these fears of not having enough. However, it is far less kind to those who fear not having enough because they succumb to the “pressure to consume.”

Today, we’re talking about the fear of not having enough. Do you harbor such fear? If so, which kind? Let’s look closer in the message today.

Loose change in today’s collection will go to the Shults-Lewis Children’s Home.
